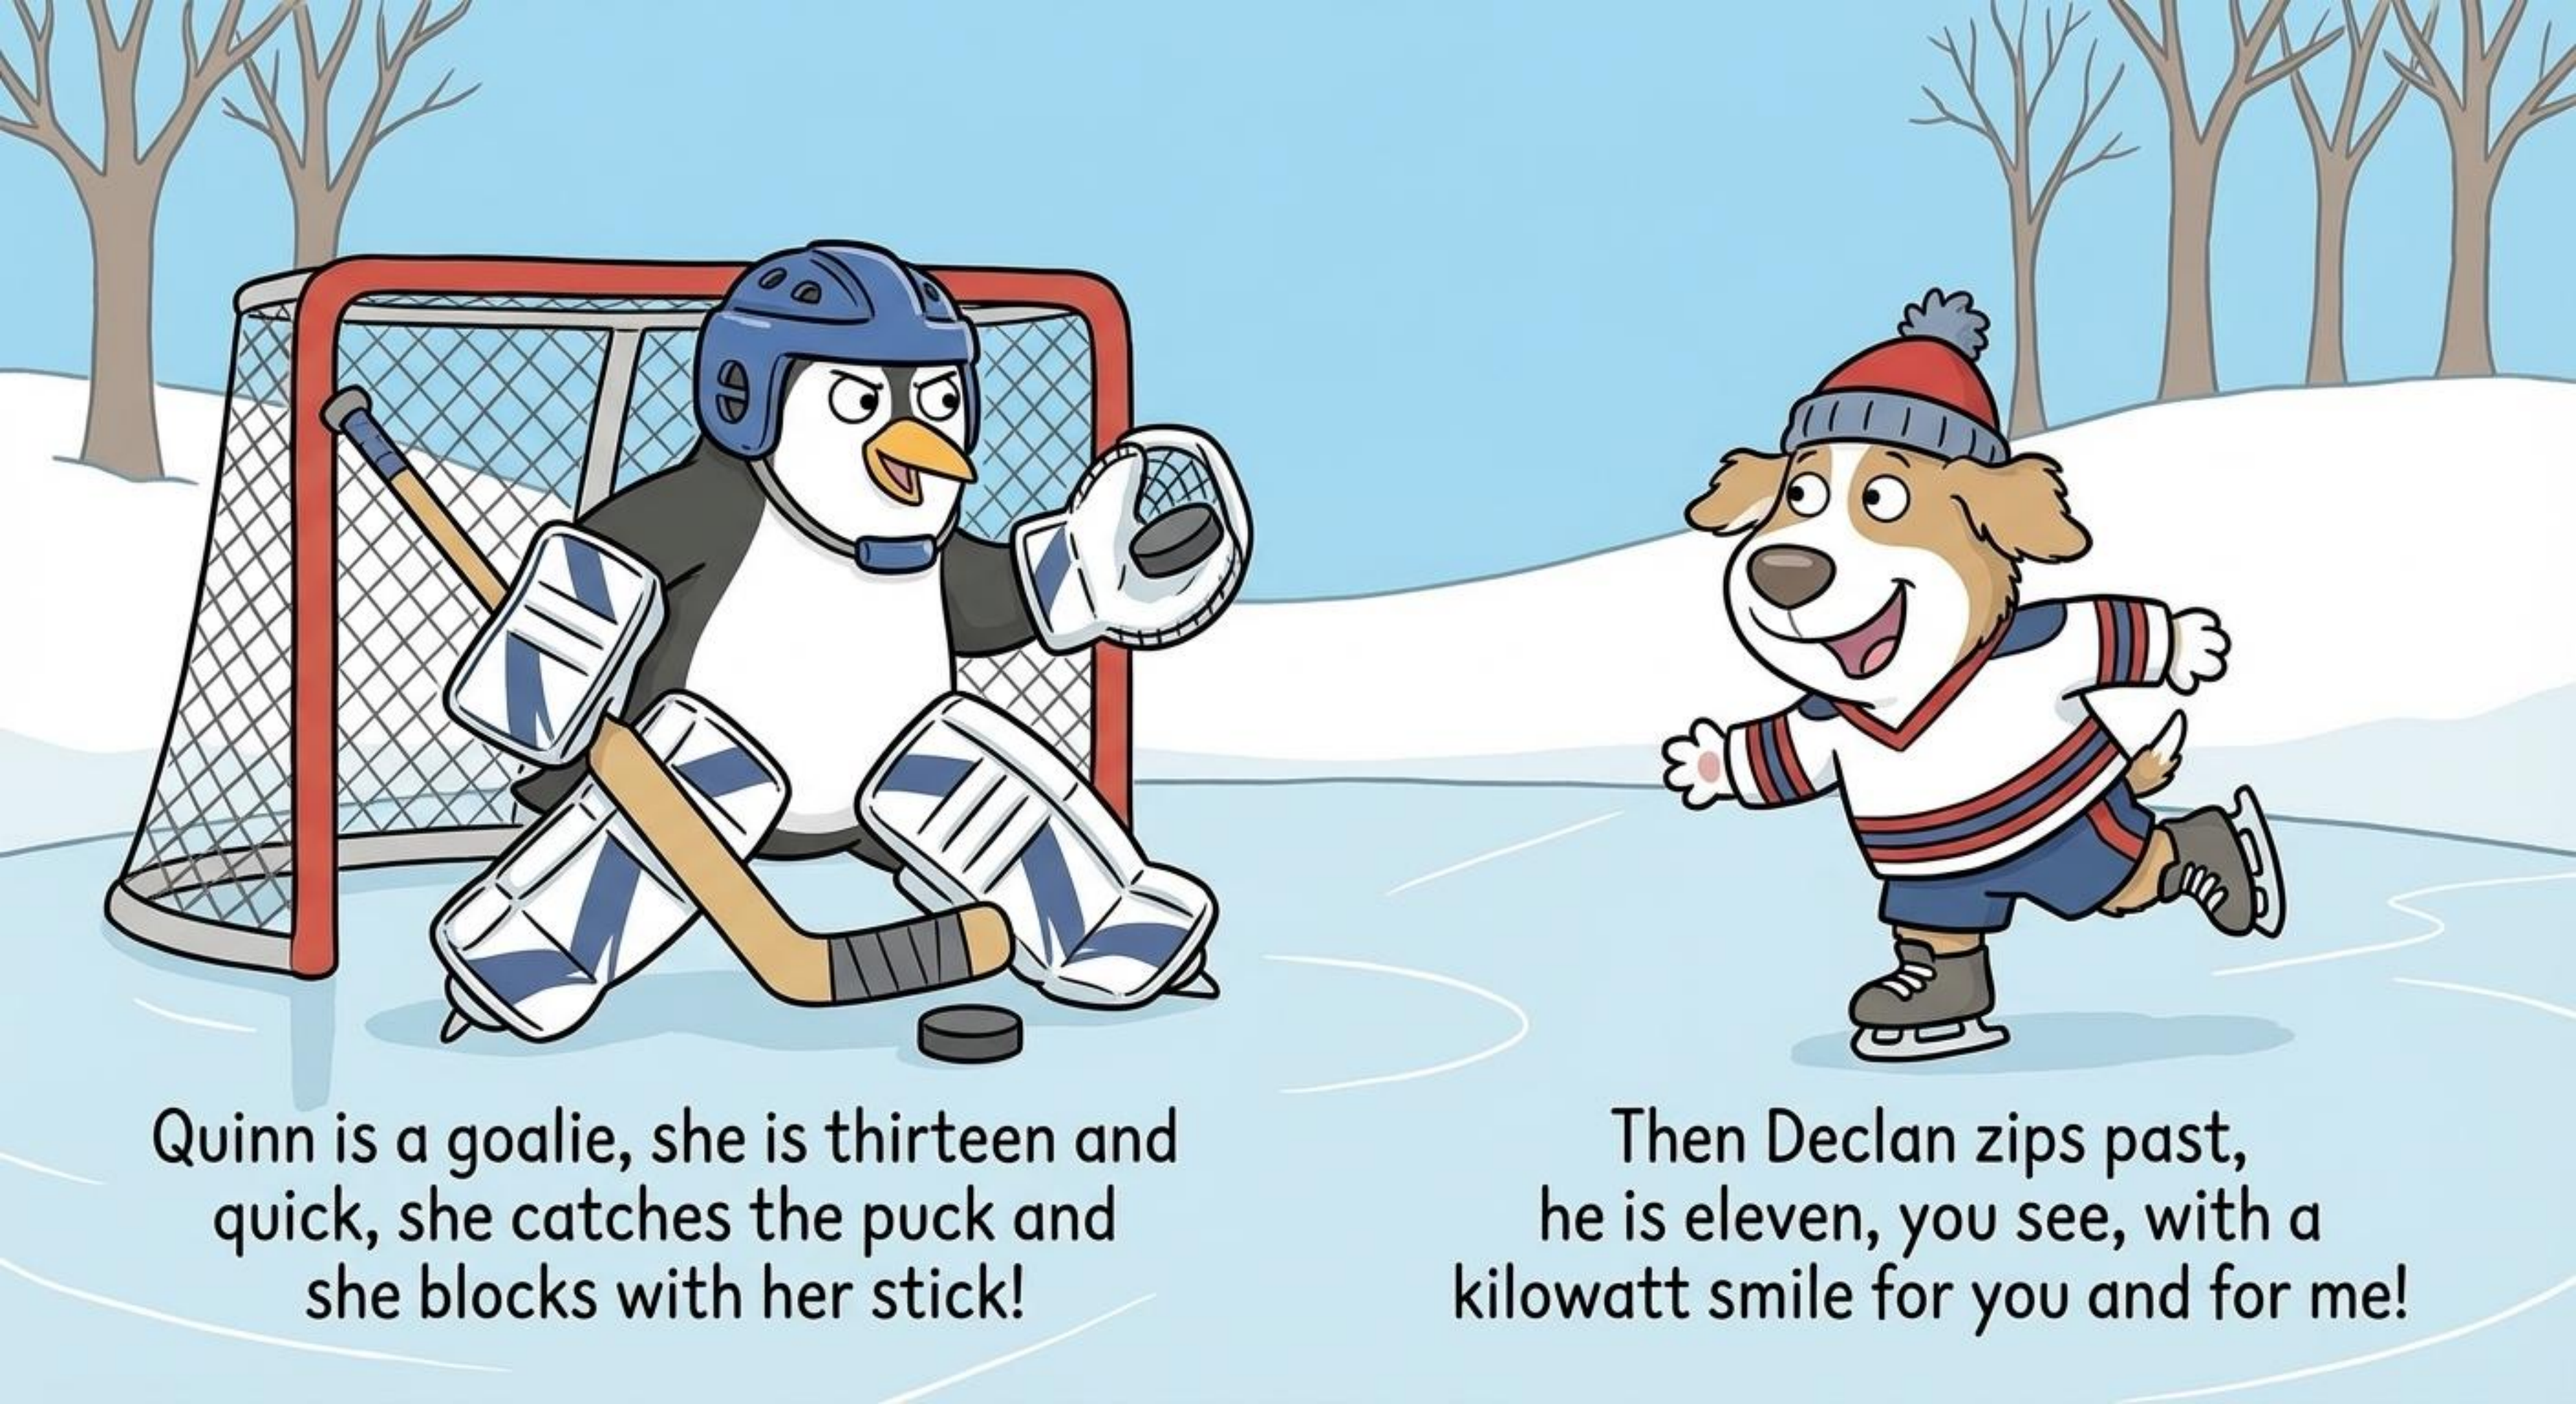
In a busy, dizzy Minnesota house,
there is nobody quiet as a mouse!

Mom Sara is a writer, typing *clack-clack-clack.*
Dad Mike is a coach, yelling, *Pass the puck back!*

Fiona the actor does a sassy little spin,
To be or not to be! she shouts down the hall.

she bows to the crowd with a Hollywood grin!
She is fifteen years old and she knows it all!



Quinn is a goalie, she is thirteen and quick, she catches the puck and she blocks with her stick!

Then Declan zips past, he is eleven, you see, with a kilowatt smile for you and for me!

Writing and acting and hockey, oh my!
Under the snowy Minnesota sky.

They hustle, they bustle,
they giggle, they roam.

What a wild, happy place
that this family calls home!
